ECHEVERRIA®

Family Wines

“This wine is part of Viña ECHEVERRIAS new range of natural wines, which are made from estate grapes and fermented naturally. It is a Petillant Naturel made from estate Chardonnay grapes, and in the case of the rose with 2% estate Cabernet Franc grapes. It is cloudy in appearance due to being unfiltered and is slightly fizzy, characteristic of Pet Nat wines. We believe that it is a very versatile wine and can pair with a broad range of foods. Its strong fruity personality can match almost any dish and slight effervescence can cut through rich cheeses and risotto. It is also very enjoyable drunk on its own. Viña Echeverria is a small family producer and is certified sustainable.”

Roberto Echeverría Jnr, Chief Winemaker

ORIGIN:

Chile
Curicó Valley

Entre Cordilleras Areas

GRAPE VARIETY:

Chardonnay and Cabernet Franc proprietor's single vineyard grapes, from ungrafted selected clones of pre-phylloxera French rootstock. Not more than 2% of NEP Cab Franc.

HARVEST:

March 12th, 2022, for both varieties.
